

CAPABILITY STATEMENT / REVISED AUGUST 2026

SPES LOGISTICAL SOLUTIONS LLC

Procurement built around the requirement.

PROCUREMENT & SUPPLY / LOGISTICS & FULFILLMENT / PROJECT SOLUTIONS

COMPANY OVERVIEW

One requirement. One accountable partner.

SPES helps government and commercial buyers source customer-specified products, compare supplier options, coordinate project requirements, and organize delivery-through-closeout records.

CORE CAPABILITIES

01 PROCUREMENT & SUPPLY

Requirement review, supplier research, quote comparison, purchasing documentation, and receiving records.

02 LOGISTICS & FULFILLMENT

Project freight, staging, warehousing, distribution, delivery, and receiving coordinated through qualified delivery and service partners.

03 PROJECT SOLUTIONS

Facility transitions, FF&E deployment, installation coordination, multi-site rollout controls, exceptions, and closeout.

PRODUCT AND REQUIREMENT CATEGORIES

01 Office furniture & workplace systems

02 Technology & business hardware

03 Industrial & warehouse assets

04 Facility operations & safety supplies

05 Healthcare & institutional administrative furnishings

06 Customer-specified & custom sourcing

DELIVERY MODEL

SOURCE > PROCURE > COORDINATE > DELIVER > CLOSEOUT

Every opportunity is evaluated against the actual scope, geography, schedule, documentation, insurance, and applicable authority.
